
SHERE KHAN

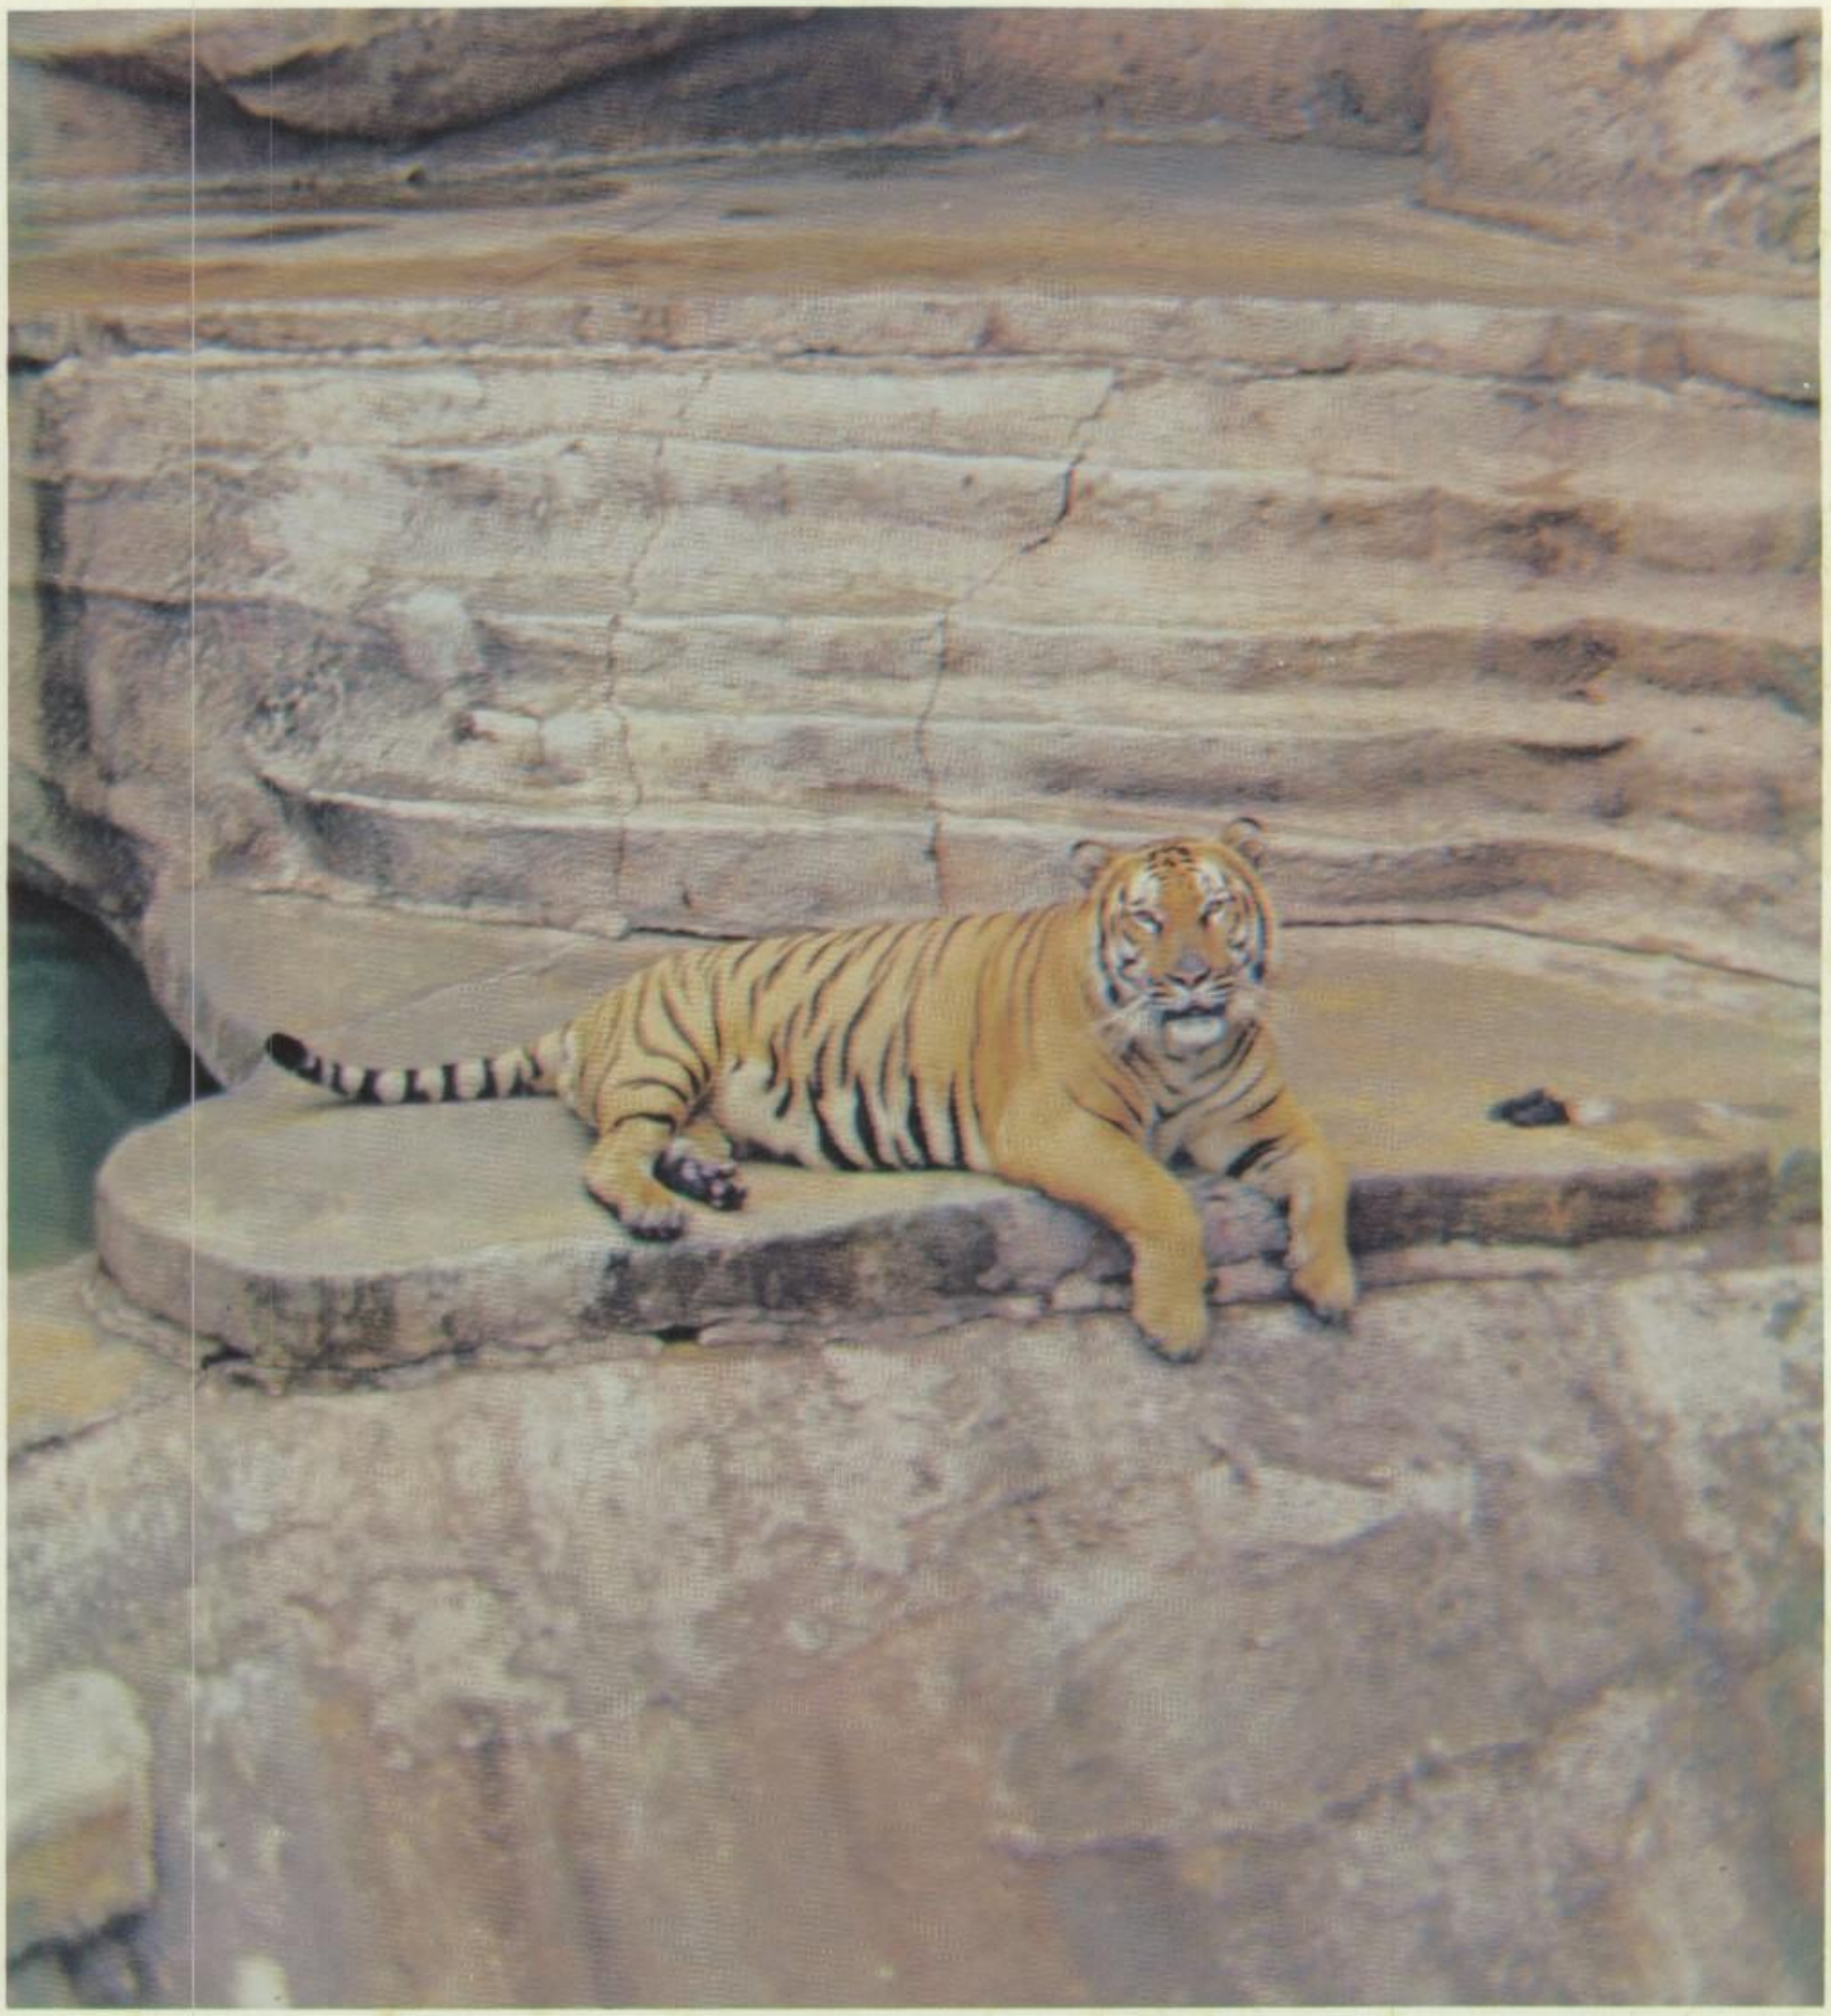
Lena McClellan

Dear Lena,

What can I say to you. This year has been great. Remember English class and the fun we had with the old teacher. May God bless and keep you. Best of luck that the world has to offer.

Your friend

Mary



1972 SHERE KHAN

Mendenhall Attendance Center

Mendenhall, Mississippi

Foreword

With the days of this school year drawing to a close, we pause to reflect upon the friends we have made, times we have enjoyed, and places we have been. This year has been filled with many experiences which we shall never forget. These - the joys, the sorrows, the fun, and the hard work - are all part of the memories we cherish of M. H. S. We have attempted to capture the most meaningful of those memories through pictures in the 1972 SHERE KHAN. As you look at the pages and relive those memories, you will agree with us that - Those Were the Days.

Alma Mater

O Mendenhall, To us our All;

Our Alma Mater, Dear.

We pledge our fortunes, one and all,

So rev'rently sincere.

And when these days are over.

Our loved ones gone to rest;

We'll ne'er forget those friends of yore!

For Mendenhall the best.

HAMP GASTON

Sports are not just extra-curricular here at Mendenhall High School, but are a way of life - a life of hard, strenuous work, of teamwork and companionship, and of blazing victories and bitter defeats. Many long hours of determined practice under the supervision of skilled leaders are spent in order to be prepared to engage with rival teams in competition for the right to be called the best.

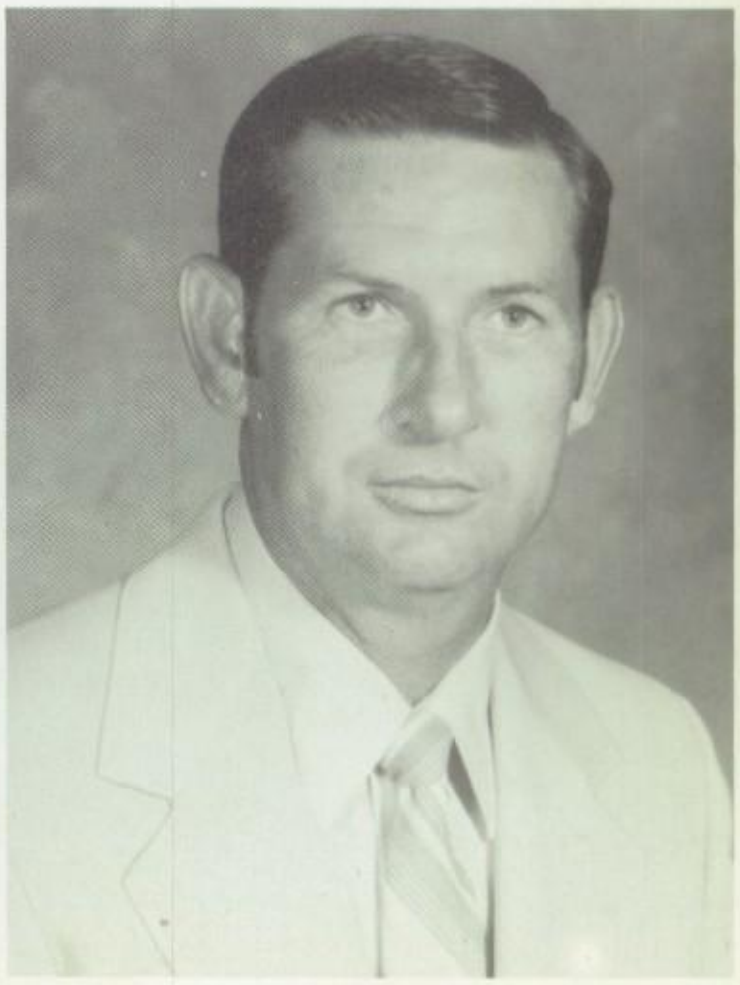
Dedication

JAMES TURNER

It takes a very special brand of individuals to be the leaders of our teams: persons who are dedicated, understanding, and determined not to be undone. They need to be patient, hardworking, and most of all, loyal. This brand of individuals is hard to find, but we at Mendenhall High School feel that we have succeeded in obtaining the best.

Therefore, it is with greatest appreciation and our privilege to dedicate the 1971-72 Shere Khan to the Coaching Staff of Mendenhall High School.

MARSHALL DEAR



Co-Editors' Message

The memories that we hold from our school years are many, but they are one of the most dearly treasured possessions that we will ever have. They are memories of all the infinite joys, pain, work, and friendships that we have shared here at M. H. S.

In the years to come, these memories will be the only means that we will have to relive the precious moments of this year. So, it is the purpose of the Staff to preserve those memories in the form of a yearbook, to be enjoyed and cherished, over and over again.

Within this yearbook, some of those magical memories have been caught and preserved for you. Now, it is with great pleasure and honor that we present to you the 1972 Shere Khan.

Co-Editors:

Dixie Ponder

Buck Franklin

We thought they'd never end.

Supervising Principal

It is with deep gratitude that I express my appreciation to those responsible for making this yearbook possible. As you turn the pages and view the many bright faces, may it be an inspiration to each of you to be more zealous for the improvement of your school, community, state, and nation.

To members of the annual staff and its sponsor, a great responsibility has been yours for which you are due much credit and praise. Your untiring efforts in making this yearbook a masterpiece of history for your school has involved many long hours. Through this medium, you have displayed loyalty to and honor for your school.

I challenge each of you to continue your education. Education is a companion which no misfortune can depress - no crime destroy - no enemy alienate. At home, a friend; abroad, an introduction; in solitude, a solace; and in society, an ornament. Without it, what is man? He is merely a splendid slave, a reasoning savage.

Congratulations to a dedicated staff and to the wonderful student body which it is serving.

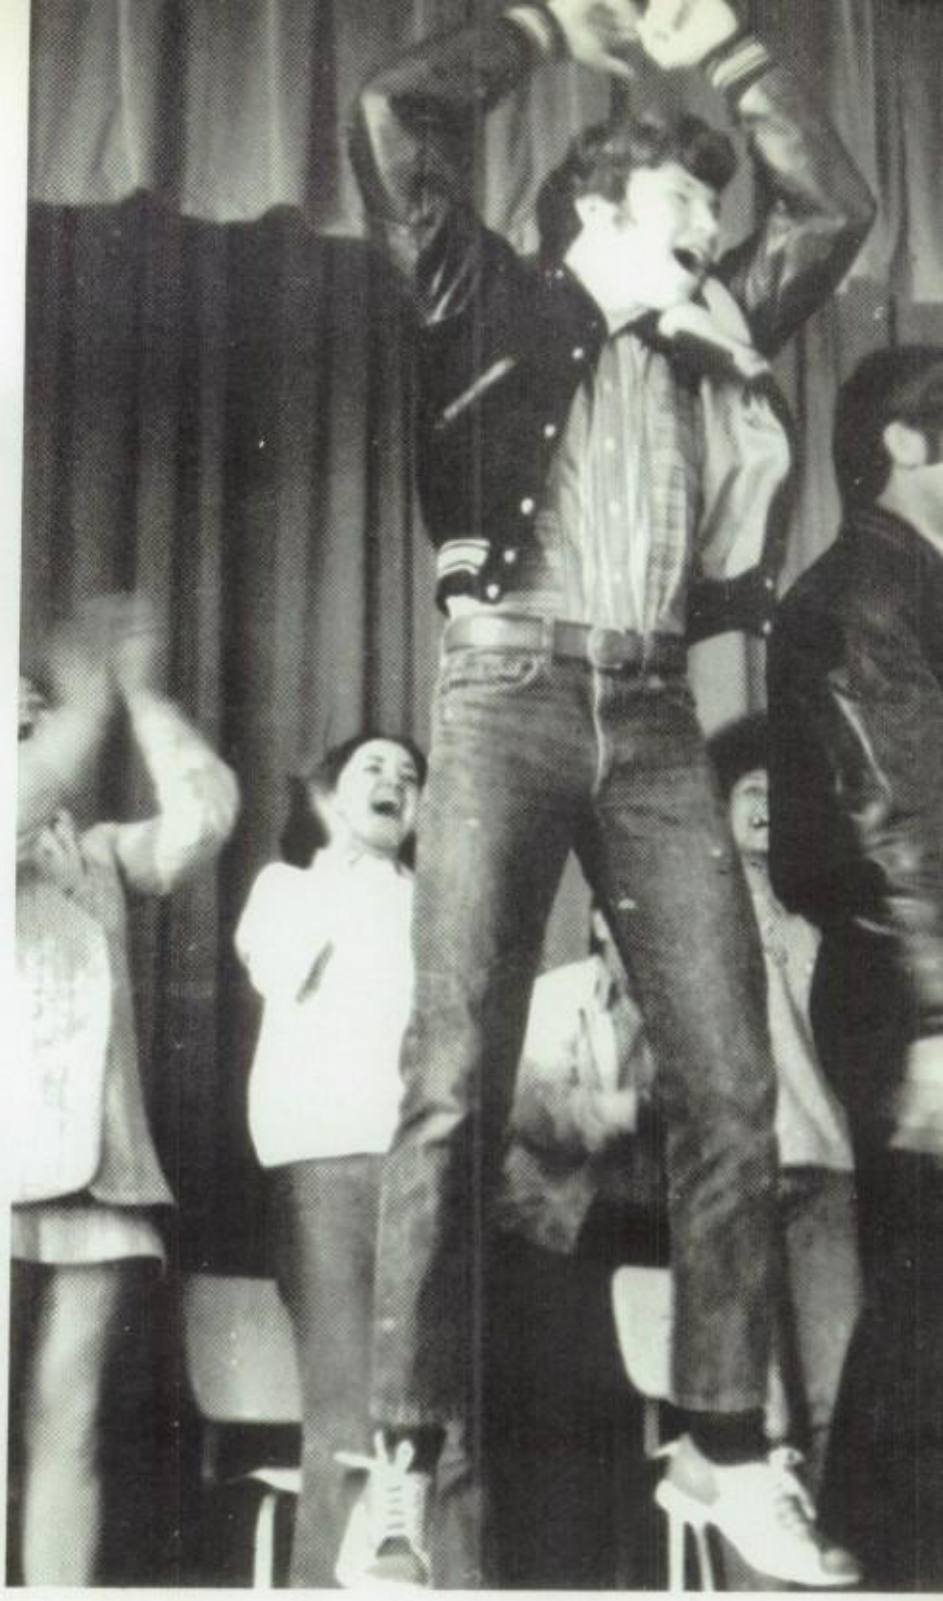
Boy,

Those Were the Days!

You devil you!



Cheerleader of the year

The KOO-KOO KOOLIES.

Look familiar?

Just try to stay together.

The MESS hall.

Good driving award, huh??

When you're hot, you're hot!

And furthermore ...

Picking up paw-paws.

Oh, Tim, how could you say such a thing!

Pro-Material???

Leap frog!!

Women's Lib at work?

And away we go!

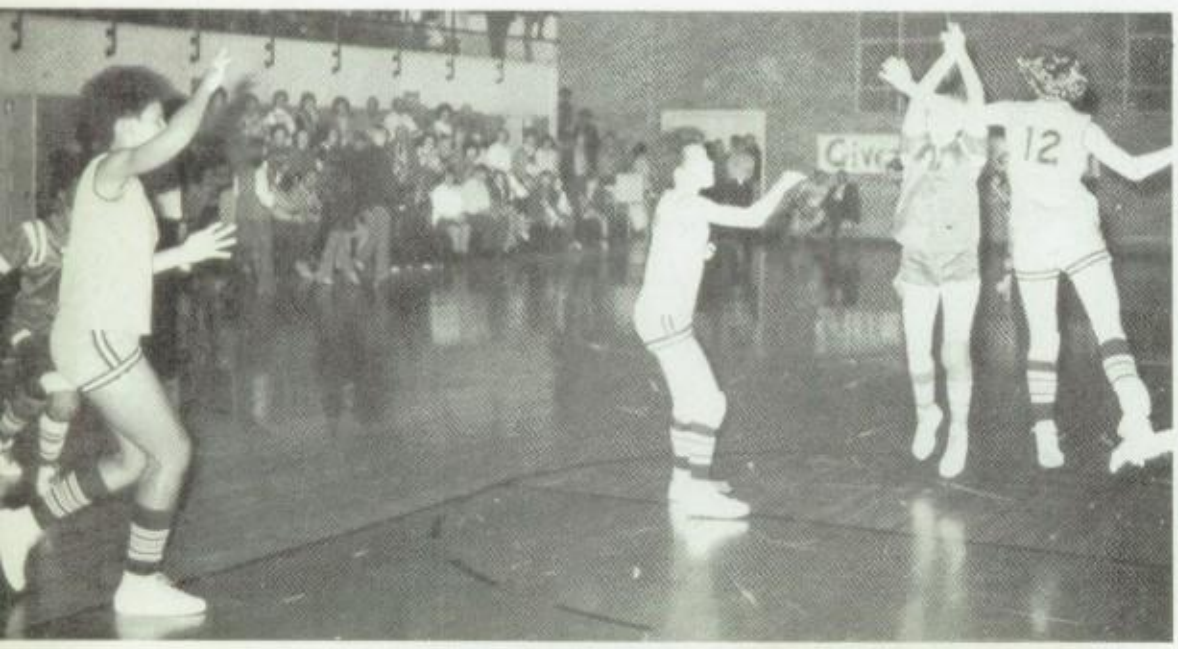
'72 What? (Seniors)

It's not all it's made out to be.

Sesame Street gang!

The famous Everett smile!

Get 'em good, big Tigers!



Stop 'em, girls.

The only way to handle them!

Our rings!!

Our teachers!!

Our friends!!

Oh, Yes
Those Were the Days!
